Context

Provide some context (max 4-5 items):

- fact 1
  - note

$\Rightarrow$ fact 2 implied by fact 1

  ! important notice

- fact 3
  - note

- fact 4

Motivation

Enumerate motivations for this work:

- motivation 1
  e.g. example
- motivation 2
  - note
- motivation 3 with citations [Crawford, 2016, Ribeiro et al., 2016, Wexler, 2017]
- etc

Some state of the art (optional)

Provide relevant information about the state of the art / related works here, possibly with references

Contribution of the paper

Explicitly state the contributions of the paper

- contribution 1
- contribution 2

Theory / modelling / design

Provide 2-3 slides discussing the Theory / modelling / design

Case study / Experiments / Results

Provide 2-3 slides discussing the Case study / Experiments / Results of the paper

Conclusions & future works

Summing up

Summarise the most relevant contributions of this study:

- conclusion 1
- conclusion 2
- conclusion 3

Future works

Sketch some future research directions

- future work 1
- future work 2

(may be split into 2 slides)
